Dear families,

You will have received advice from Scouts Victoria about our response to COVID-19.

We want to support families – and particularly our young people – in these challenging times.

We will be tightening our belt to get through the nine months ahead, but we still have most regular operating expenses as well as the Levy to Scouts Victoria for insurance, IT, etc.

Anything that you can do to assist would be greatly appreciated.

We recognise that many families have been financially impacted by the current situation and we do want to add any further stress. Please do not feel pressured to help. It is far more important that our young people continue to enjoy their time in Scouting with their friends.

But families which can assist – eg by donating the equivalent of the usual annual fees, or whatever you can manage – would be a great help! Even a roll of toilet paper, or is that going too far?

If you would like to donate to support us get through to March 31 2021, our bank details are:

Name of account: 2nd Prahran Scout Group
BSB: 013445
Account number: 8668347
Description: Scout support
Remitter name: "initial and surname of Scout"

Thanks for anything you can do to help. And if not, please take care. There are other priorities at this time, and we fully understand.

Let's hope we are soon meeting back in the hall, and once again learning outdoors!

Yours in Scouting,

David Stidston
Group Leader

PS Scouting membership is free at present. This is a great time to tell friends and family to check out Scouting. Please help them connect with us.
